Examination scores are scheduled to be released on the dates indicated on the calendar. Scores can be accessed through the candidate's [MyNBCOT](#) account, under Application History.

Score release dates are subject to change without notice.

NBCOT makes every effort to make the examination result available to candidates on the scheduled score release date; however, there may be unforeseen circumstances when this is not possible. In these circumstances, the score will be posted as soon thereafter as possible.

Important Notes:

- If a candidate wants their exam result on a specific scoring date, the exam MUST be taken a minimum of three days prior to the desired score release date. For example, the exam must be taken by or on the Sunday immediately prior to a Wednesday score release date. Further, the exam must be taken by or on the Tuesday immediately prior to a Friday score release date.
- For those candidates approved to test on a DVF, they will:
 - Continue to have their scores held until NBCOT receives an official, final transcript.
 - Have their result released within 24–48 business hours of NBCOT receiving and approving their official, final transcript.
 - Have their exam score released to the state licensing board(s) of the candidate's choosing within 24–48 business hours of NBCOT receiving and approving their official, final transcript.
